

EVERY OR ALL

1 GRAMMAR EXPLANATION

Task1: Study the grammar explanation of 'every' and 'all' below.

Every car on the street is the same
Every car on the street = All the cars the street

Every

We use every + singular noun (every house / every country)

- Jack has been to every country in Asia.
- Every winter we go on a skiing holiday.

We use a single verb after every.

- Every car in the street is blue.
- Every country has their own accent.

Task 2: Compare every and all. Notice how the verbs and nouns change.

Every student in the class passed the exam.
Every country has their own accent.

All students in the class passed the exam.
All countries have their own accent.

Task 3: Compare every day and all day.

Every day = On all days.

- It rained every day last week.
- She watches T.V every morning.

Same for; every evening, winter, week etc.

All day = the complete day.

- It rained all day yesterday.
- She watched T.V all day on Friday.

Same for; all evening, summer, week etc.
